

Nominee Information Form

October 2008

1. **Full name:** Dwayne Moore

Town: Box 1583

Rosetown, SK

Telephone: 306-882-2824

Email: mooreassociates.dwayne@sasktel.net

2. **Farm Operation (location, experience, crops grown, size?)**

I farm with my wife Melody and my brother Alvin Moore. Our land is located between Rosetown and Herschel, SK. The crops grown include lentils, peas and durum. We generally have at least fifty percent of our seeded acres dedicated to pulses.

3. **Related Experience (other Boards, work experience, business ventures, volunteer activities):**

I obtained my Bachelor of Commerce degree from the U of S. I currently own and operate an Accounting, Insurance and Real Estate business in Rosetown, SK. Past experiences include being on the committee of the Agricultural council of Saskatchewan on biofuels as well as sitting on the board of directors of two companies.

I coached high school football and hockey for 25 years in Rosetown.

4. **Priorities If Elected:**

I have seen the benefits of new varieties being developed by the crop development centre at the U of S and will continue to support this.

I feel the producer has to be protected so the industry needs some form of licensing and bonding whether that is the existing system or a new system.

Saskatchewan dominates the pulse industry in seeded acreage and as a result I support strong leadership based in Saskatchewan.

I also support Pulse Canada for their efforts concerning trade barrier reduction, transportation and access to new crop protection products.

5. **Comments:**

The pulse industry is essential to both the province and the producer. With my background in farm accounting, dealing with all the Government programs, as well as growing pulses, I feel I could be an effective board member.
